

May 20th Regional Row Crop Initiative Commodity Marketing Webinar

By Corrie Bowen
County Extension Agent
Wharton County

Please see attached guidance about a recurring virtual program provided by the Southeast Regional Row Crop Initiative Team. Each month Extension Economists from Texas A&M Agrilife Extension will provide commodity marketing updates for cotton, grain sorghum and corn. We will also have special guests to assist with the discussion. The event is free as it is being sponsored by the cotton, grain sorghum and corn commodity groups. The link and password each month will be the same (unless we have some privacy issues). It will be live at 7AM the 3rd Wednesday of each month. The first Commodity Marketing Update will be held this Wednesday, May 20th at 7 a.m. via Zoom. To join this Zoom Meeting, go to <https://agrilife.zoom.us/j/93705592814?pwd=WGFkTjErOVh4UFdCa2xLNGt1RlhiQT09>. The **Meeting ID is 937 0559 2814**, and the **Password is 118219**. You can go back later and review a recording of the event. They should be short, concise and full of information. We hope to be done after 30 minutes. Please help spread the word to your growers in your area. This information will be going statewide so apologies in advance for the duplicate email. We believe the program has statewide interest. Thanks
