

Wharton County 5-CEU *Virtual* Pesticide Recertification Program– February 11, 2021

**By Corrie Bowen
County Extension Agent
Wharton County**

The Wharton County office of Texas A&M AgriLife Extension is proud to announce an opportunity for pesticide license holders to earn five continued education credits (CEUs) toward their TDA pesticide applicators license. Although Covid-19 will prevent us from holding this event as a “face-to-face” conference, we are continuing this annual event, but as a webinar, via Zoom.

The Wharton County Office of Texas A&M AgriLife Extension will hold their annual 5-CEU program on Thursday, February 11, 2021 via Zoom. Registration began today, and will last through February 9, 2021. To register for this event, go to <https://www.eventbrite.com/e/2021-wharton-county-tda-pesticide-applicator-recertification-webinar-tickets-135756628731>. For more information or for a copy of the conference flyer, go to <http://wharton.agrilife.org>, or contact Stacey at the Wharton County Extension Office at (979) 532-3310, or stacey.shanks@ag.tamu.edu. Please register by February 9th by going to the EventBrite registration site above, or by calling the Wharton County Extension Office. You’ll need to enter your email address, and pesticide license number at the time of registration. You can pay at the time of registration with a credit card on EventBrite. On the day before the Grain/Cotton Conference we’ll email to you the link and log-in details for Zoom.

Before joining a Zoom meeting on a computer or mobile device, you can download the Zoom app from the zoom download center at <https://zoom.us/download>. However, the web browser will download Zoom automatically when you start or join your first Zoom meeting.

5 CEUs for TDA pesticide license holders (2 IPM, 2 L&R, 1 General) have been applied for. The Program begins at 9:00 a.m. Topics and presenters include: Brush Control—Emphasis on Huisache - Megan Clayton, Extension Range Specialist; TDA Pesticide Laws and Regulations – Stephanie Theriot and Melissa Barton, TDA Pesticide Inspectors; Herbicide Groups and Herbicide Mode of Action —Corrie Bowen, Wharton County Extension Agent; Insect Pests of Forages—Dalton Ludwick, Extension Entomologist; Wildlife Conflict Resolution—Aaron Sumrall, Matagorda County Extension Agent. The fee is \$35.00, payable to the Wharton County Row Crops Committee.
